

WEALTH MANAGEMENT SERVICES AGREEMENT

This Agreement is entered into by **George Papadopoulos** (hereinafter referred to as the "Adviser") and _____ ("hereinafter referred to as the "Client" or "You"), and outlines the terms of our engagement to provide Wealth Management Services effective on _____.

SERVICES: Wealth Management Services are individualized and ongoing. Based upon information you furnish, the Adviser will provide the following services:

Wealth Management Services

George Papadopoulos coordinates and assists with the implementation of personalized investment planning for individual clients. An initial interview and data-gathering process is completed to determine the Client's stated needs, goals, time horizon and risk tolerance. The Adviser will prepare an individualized investment plan that includes analysis and recommendations. Client will also receive recommendations and implementation plans for specific investment strategies. You may prefer the Adviser limits services to a certain portion of your overall investment portfolio, in which case you acknowledge that while the Adviser will make every effort to consider your overall financial situation, the Adviser will not monitor investments that are not receiving management services.

Wealth Management Services include: Selection, implementation and on-going management of portfolios. Investments may include short-term instruments (*i.e.*, money market funds, CD's, T-bills), stocks, bonds, exchange-traded funds (ETFs), mutual funds or other investment vehicles. George Papadopoulos provides limited discretionary management services with the proper authorization whereby the Adviser will implement recommendations and make investment changes within the approved investment selections.

Clients can expect to receive standard account statements from brokerage firms. Client is responsible for ensuring financial services providers send George Papadopoulos copies of all managed account statements. George Papadopoulos may prepare an annual investment performance report at the Adviser's discretion.

The Adviser will provide ongoing Wealth Management Services. The underlying assets of the Client's portfolio will generally be monitored daily. The Adviser will remain available on an ongoing basis to discuss your accounts, financial situation or investment needs. You are welcome to contact the Adviser anytime during business hours to discuss your accounts, investments or other financial issues that may arise during our engagement. The Adviser encourages ongoing communications but requests you initiate meetings at least annually to review your status and information regarding your portfolio. However, you acknowledge that you will immediately inform the Adviser of any financial issue that may arise which could materially affect your investment objectives and/or the designed strategies.

Individual clients are eligible to have George Papadopoulos prepare their annual 1040 Federal and State Income Personal Tax Returns (not available for entities such as trusts, businesses, etc.).

As a value-added service, the Adviser can incorporate client-initiated consultations on issues relating to components of financial planning such as income, estate planning and risk management using long-term strategies so that continuous monitoring is not required. Clients are responsible to initiate new and follow-up consultations. Services will not include preparation of a comprehensive written financial plan. Client is welcome to take no action in connection with financial planning advice or Client may implement recommendations in whole or in part via the service providers of the Client's choice.

You acknowledge that the recommended asset allocation, investment policy or strategy is based upon, and objectively correlated to, information disclosed by and with your participation.

You agree to provide evidence to prove your identity and legal residence. You certify that the funds making up your managed portfolio were generated by means that would be construed as "legal" in any court of law currently in existence in the United States. If the Adviser receives an indication during the course of our engagement that Clients' funds have been generated from sources not wholly legal in their entirety, the Adviser will exercise its right to immediately terminate this Agreement. You understand that Registered Investment Advisers may be required to report known or suspected illegal funds to regulatory authorities.

CLIENT AUTHORITY: If the Client is not a natural person, you, as an authorized individual represent and confirm the Adviser's engagement pursuant to the terms of this Agreement, are authorized by the governing documents relating to the Client and that the terms of this Agreement do not violate any obligations to which Client is bound. You agree to deliver all forms, organizational documents, corporate resolutions or similar documentation evidencing the undersigned's authority to execute and deliver this Agreement and any other documentation the Adviser may request as well as any amendments or supplements thereto during the term of this Agreement. You further agree the Adviser is not liable for any losses, costs or claims suffered or arising out of the Client's failure to provide the Adviser with any documents required to be furnished hereunder. You hereby warrant and represent that as the Client, you own all property deposited in the managed Account(s) and that no restriction on disposition exist to any such property.

For individual retirement accounts (each an "IRA") defined in the Internal Revenue Code of 1986, as amended ("IRC"), the person signing this Agreement represents that he or she is an owner or otherwise acting on behalf of the IRA. With respect to a retirement plan, including those subject to ERISA, the person signing this Agreement represents that he or she is, or is an authorized representative of, the retirement plan's trustee or other authorized fiduciary.

If this Agreement is entered into by a trustee or other fiduciary, such fiduciary represents that the services to be provided by Adviser are within the scope of services and investments authorized by the governing instruments and/or applicable laws and regulations, and that fiduciary is duly authorized to enter into, perform, and renew this Agreement. The fiduciary shall provide Adviser with copies of the governing instruments authorizing establishment of the Account and undertakes to advise Adviser of any material changes in his or her authority or the propriety of maintaining the Account. Client warrants and represents that Client owns all property deposited in the Account(s) and no one except the Client has any interest, directly or indirectly (except for the beneficial interest of the participants in a qualified plan or trust) in the Account and that no restrictions on disposition exist to any such property.

TERM: If you received the Adviser's Form ADV Part 2 less than 48 hours prior to the execution of this Agreement, you may terminate this Agreement within 5 business days of signature without fees due or if you've prepaid fees they will be fully refunded. Otherwise, Wealth Management Services are ongoing and this Agreement will continue until terminated

by either party or the Adviser receives proper notice of Client's death. Either party may immediately terminate this Agreement by written notice to the other. At termination, the Adviser will calculate and return a pro-rated refund of the pre-paid quarterly management fee as applicable. If, in the event of Client's death, The Adviser's good faith actions pursuant to its management of assets, without actual knowledge of Client's death, unless otherwise invalid or unenforceable, shall be binding on the Client's successors in interest.

COMPENSATION: Wealth Management fees are based upon a percentage of assets as set forth below and billed quarterly in advance. The Adviser's minimum annual fee is \$10,000 (\$2,500 quarterly). The quarterly fee is based upon the market value of your portfolio as determined by your custodian on the last trading day of the preceding calendar quarter and multiplied by $\frac{1}{4}$ of the annual percentage rate shown below. Client accounts are aggregated before performing the calculation.

<u>Account Asset Value</u>	<u>Annualized Fee</u>
First \$1,000,000	1.00%
Between \$1 Million and \$2 Million	0.80%
Between \$2 Million and \$5 Million	0.60%
Over \$5 Million	0.40%

The first payment is due and payable upon execution of this Agreement and will be assessed pro-rata if this Agreement is executed other than the first day of a calendar quarter. Subsequent payments are due and assessed on the first day of each calendar quarter.

The fee may be modified in certain situations as determined at the time of engagement and based upon the nature of services, complexity and nature of the portfolio, anticipated efforts, additional services provided, pre-existing relationships, special circumstances, and at the Adviser's discretion. If an alternate fee has been determined based upon information presented by Client it shall be listed here ____%.

Should Client's circumstances change during the course of our engagement such that additional effort and services are required, the Adviser may propose a fee adjustment with at least 30 days written notice. You are welcome to terminate services at any time.

The Adviser's fee includes client-initiated financial planning consultations and where applicable, preparation of the annual 1040 Federal and State Income Personal Tax Returns. These are value-added services and therefore do not impact the Wealth Management fees. These services are non-transferrable and Client does not qualify for any type of refund if the services are not utilized. George Papadopoulos does not provide other accounting services unless engaged for such services under a separate agreement.

The Adviser does not accept advisory fees that are calculated as a percentage of the capital gains or appreciation in client accounts ("performance fees"). The Adviser's fees are for financial analysis and investment advisory services only and do not include any other professional services that may be required by you to implement the recommendations made by the Adviser. While the Adviser feels its fees are competitive, fees associated with the services may be higher or lower than available at other service providers. You understand that you will bear all transactions and services fees to third parties you may engage in connection with securities transactions, custodial and/or trust services. The Adviser will not be responsible for the acts, omissions or insolvency of any other agent, broker or independent contractor selected to take any action or to negotiate/consummate any transaction for your account. Nothing herein shall constitute a waiver of any of your rights under Federal or State securities laws.

FEE PAYMENT: Wealth Management fees may be paid:

- ___ **(Client Initials)** Directly to the Adviser; or
- ___ **(Client Initials)** Via a direct debit to Client's custodial account.

Client is welcome to change the fee payment method via written instructions to the Adviser.
